Sir:

RESUBMISSION OF INFORMATION DISCLOSURE STATEMENT

In accordance with 37 C.F.R. 1.56, counsel wishes to make of record the attached items of information for the Examiner's consideration in connection with this application. These items of information were originally submitted on September 4, 2002 (as evidenced by the stamped postcard from the Patent Office, a copy of which is enclosed), but were never considered by the Examiner, as the Examiner states that they are not in the file. Also enclosed is a form PTO-1449 for the Examiner's convenience in making such consideration of record. Inclusion herein of any particular item of information is not to be construed as an admission that same is prior art.

This Information Disclosure Statement was timely filed before the issuance of a first Office Action, and therefore no fees were due at the time of filing. As these references are being resubmitted because the Examiner now states that they are not in the file, no fees should be due at this time.
